

High Holiday Opportunities

The High Holy Days come only once a year. In many synagogues, only a handful of men are invited to receive the honor of being called up to the Torah to have an Aliya or P'ticha (opening of the ark). We are making these honors available to **you** in advance. You can obtain this unique opportunity for yourself, or you may choose to give the honor to another individual. A woman can honor her husband by acquiring an Aliya or P'ticha for him.

As you are elevated so close to the Torah, it is a very auspicious time to pray for you and your family, for all your personal needs and for G-d's blessings for the upcoming year.

Treat yourself to this unique blessing and to the deep satisfaction of giving.
